## Pædagogisk personale: Meddelelsesbog

Designet i toppen af meddelelsesbogen er opdateret.

Når man vælger Upload fil, får man mulighed for at uploade filer fra Onedrive og Google Drev og for at indsætte et link til en fil i AULA's sikre filer.

The screenshot shows a user interface for uploading files. At the top, there are three buttons for selecting the source of the file: "Google Drev" (with the Google Drive logo), "OneDrive" (with the OneDrive logo), and "AULA Sikre filer" (with the AULA logo). Below these buttons, there is a text input field labeled "Titel\*" with a red asterisk, and a smaller text input field labeled "Beskrivelse". At the bottom right, there are two buttons: "Luk" (Close) and "Gem" (Save) with a checkmark icon. In the bottom left corner, there is a small text string: "Sidst ændret 4. apr. 2023 11:24 af Mette Teglers".

## Pædagogisk personale og elever: Google filepicker

Der er opdateret til den nye version af Googles filepicker.
